

REMARKS

This communication is in response to the Official Action mailed June 28, 2006.

Requirement for Election of Species

The Office Action alleged that this application contains two patentably distinct species of the claimed invention:

Group I: Claims 1-16 and 19-28, drawn to a customer quotation system and method configured to create a plurality of product data tables; and

Group II: Claims 17-18, drawn to a customer quotation system including a data delivery module configured to send a customer requirement table to a customer.

Applicant hereby elects the first group (claims 1-16 and 19-28) for continued prosecution, with traverse. In this regard, Applicant has amended claim 17 herein, and added new claim 29. After entry of the foregoing amendments claim 1 is generic to all claims.

CONCLUSION

Applicants respectfully request submit that the foregoing is fully responsive to the election request and that all presently-pending claims be allowed to issue. If the Examiner has any questions or comments regarding Applicants' response, the Examiner is encouraged to telephone the undersigned.

No fee is believed to be due in connection with this amendment and response to election of species requirement. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,

Daniel R. McClure
